

Lab # ___ [Title of the Lab]

Summary:

The goal of this lab was to ____ [Paraphrase the goals of the lab, but do NOT copy them verbatim; that would be plagiarism!]. We achieved these goals by ____ [BRIEFLY summarize of how you achieved the goals of the lab. This should be at least one sentence, but probably no more than 4... if you really know what you did, this can easily be one sentence for every lab.].

Questions:

[Next, answer the questions in the “Summary” portion of the lab manual in ORDER AND LIST FORMAT AND COMPLETE SENTENCES!]

Extra Credit: [OPTIONAL: If there is any extra credit, answer the questions here.]

References:

[Put references here in a format that enables me to EASILY find where you found the information.]
