Spiritual Multiplication
Being Intentional With Influence

Spiritual Multiplication: What is it?
*Spiritual multiplication is the process of influencing others towards a deeper relationship with Jesus, spiritual maturity, and steadfastness with the expectation they will do the same for the rest of their lives regardless of their location.*

Opening Questions

- Do you ever feel unimportant, like you will never make a big impact on anyone or anything? Explain.

- Have you ever wondered how you could make a difference for the Kingdom of God if you do not intend to be in a “full time” ministry? Explain.

Influence

- Who are some people who have invested in you?
- In what ways have they invested in you?
- How did that specific attention benefit you?
- Has anyone ever taken a specific interest in your spiritual well-being?
- What are the advantages of having someone mentor you?

What does the Bible Teach About Spiritual Multiplication
It Is Selective

- Read 2 Timothy 2:2.
  - To what type of man is Timothy to entrust the things he hears from Paul?
  - How many generations do you read in this passage?
  - Do you see the value in sharing with other generations the lessons you learn? Explain.
• Read Matthew 4:18-22.
  o Who did Jesus spend a majority of His time with?________________________
  o Why do you think He chose to invest in them?________________________

• Have you felt you didn’t have enough time to influence others like you should? Has this ever kept you from doing anything at all?________________________

It Is Intentional
• Read Philippians 3:17. What pattern did Paul and other believers intentionally mold their lives after?________________________

• Read Philippians 4:9. Why is it important for you to put into practice Godly teaching?________________________

It Is Commanded
• Read Matthew 28:18-20.
  o What has been given (vs. 18) to us so that we can go make other disciples?________________________
  o What is expected when mentoring someone else (vs. 20)?_______________

Discipleship
Spiritual Multiplication can also be referred to as discipleship.
• What does discipleship look like to you?________________________

• Read Matthew 23:15.
  o If imitation is an important part of discipleship, what is a potential danger in discipling someone?________________________

Spiritual multiplication is where you reproduce your life in the lives of others. It is an obvious fact that animals have offspring after their own kind. A cow has a calf. A horse has a foal.

What would your life look like if it were reproduced?

What is your life modeled after?

Are you satisfied with that outcome?

Are you willing to have someone invest in you?

Are you willing to invest in someone else?
