

Mid-Term App (due 5:00pm Fri., Mar. 16, 2018)

Please complete the following on or before the due date for submitting your mid-term app:

- Electronic submission of coding assignments will be through Canvas. Please upload a single .zip file containing project code. The zip file should be named with your (lowercase) first initial and last name, e.g. pdeleon.zip.
- Return your graded mid-term project proposal on or before the due date to the Electrical and Computer Engineering front office (T&B 106) desk.
- Complete the Doodle invitation in order to schedule a date and time to demonstrate your app to Prof. De Leon.

Consultations

Students are encouraged to seek technical consultations with Prof. De Leon and other students during the development of their app.

Notes

- Due to travel, the office hour on Monday Mar. 12 1.30pm has been changed to Friday Mar. 16 8.30am-9.30am
- As a reminder, there is no class the week of Mar. 11, 2018.

Grading

The mid-term app grade will be based on a combination of estimated difficulty from the mid-term app proposal, success at implementing the app, and other factors including design and performance. The mid-term app is a major part of the course with commensurate expectations for well-engineered, well-designed apps, and well-tested apps.
